

# How to Assemble The Puggy House®

Before commencing Step 1, fold the creases in the roof.

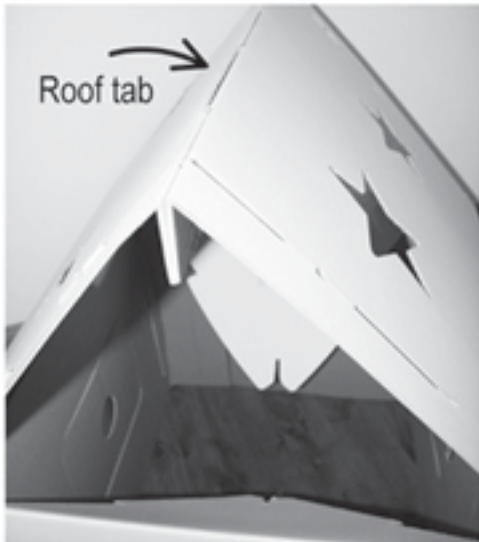

Step 1  
Assemble the 2 sides like this

Step 2  
Insert bottom tab first

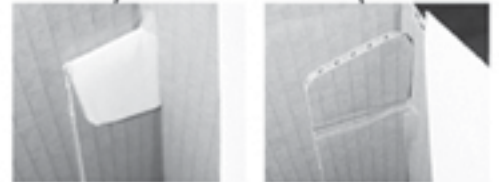

Step 3  
Fold the top tab and insert into slit as shown above

Step 4  
Insert the 2 roof tabs to secure the roof tip.

Step 5 – Raise the A frame.  
Ensure the roof tabs don't pop open.

Once fully inserted,

unfold the tip to secure

Step 6  
Apply gentle pressure to push the remaining roof locks in place

Puggy® is ready to decorate!
